## GPHA Hospitality Education Scholarship Fund

The scholarship fund's mission is to give students the opportunity to further their education in the hospitality or food service industry. Area college-bound high school seniors, college students and accredited post-secondary institutions with a hospitality and/or culinary arts program are eligible to apply. We encourage all GPHA members who have employees who are trying to advance their hospitality careers or have children who are pursuing hospitality careers to apply. All of the students selected for this award have excelled in their field and have demonstrated profound skills and knowledge of the industry. Our efforts, along with yours, aid those in need of assistance while they are in pursuit of their dreams. GPHA thanks you for your support!
